

Girl Guide Registration is Open!!!

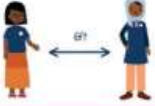

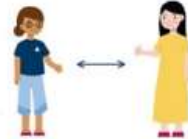

Unleash her potential. Unlimited adventures. Amazing friendships. The chance to get creative and connect with her community. That's what she'll get from Guiding.

Guiding is for girls K-12 and we are excited to start our fall programming in September. Our main priority is everyone's safety.

We will begin by having outdoor meetings in September and half of October with the following guidelines.

- ♣ A COVID-19 symptom self-assessment is required before all attendance of in-person.
- ♣ Hand hygiene is required before, throughout the meetings, and after the meeting.
- ♣ Cleaning standards are required for the hard surfaces at the beginning and end of all in-person meetings.

Find a unit near you on Unit finder: <https://register.girlguides.ca/web/en/unit-search> or connect with us at: any-calgarybethriddoch@girlguides.ca

Outdoor Day, Virtual & Anytime Guiding	
 <p>Permitted Activities Only green and yellow activities are permitted. No overnight activities or travel may take place. Units may not meet outside of a unit or member's district/community. No singing is allowed.</p>	
<p>Physical Distancing Everyone physically distances 2m.</p> 	<p>Masks Required for everyone.</p> 
<p>Pods Not required.</p> 	<p>Gathering Size Maximum 1 unit.</p> 
<p>Meeting Spaces Outdoors only. May include tent/picnic shelter with 2+ sides open for maximum ventilation. May be held in member yards or in shared outdoor spaces such as apartment/condo green spaces provided appropriate approval is obtained.</p> 	<p>Drop Off & Pick Up Must occur outside. Adults must physically distance from other adults When possible only one adult from each household should drop off girls at a meeting and no extra people should attend drop off/pick up.</p> 
<p>Food and Drink Girls and Guiders must bring their own food and water to meetings. Sharing food is not permitted. Hands must be washed or sanitized before and after eating and/or drinking.</p> 	<p>Washrooms Encourage families to use the washroom prior to activity. Limit capacity to washroom to allow for physical distancing. Recommendation: 1 person for every 2 toilets (exception made for girls who require support person to use washroom).</p> 

Everything she wants to be.
